

The Plot

Enola Holmes, the clever and free-spirited younger sister of the famous detective Sherlock Holmes, doesn't want to go to a boarding school like her big brother Mycroft wants. When their mum vanishes, Enola runs away to the big city, London. There, she meets a young lord in trouble and uses her detective skills to keep him safe. With clues her mum left behind, Enola bravely faces challenges and uses her smarts to find her own path. When she discovers her mum might still be alive, Enola sets off on an exciting adventure to find her. This thrilling journey teaches Enola the importance of being brave and independent.

Characters

Enola Holmes is a clever and independent young girl who loves solving mysteries. Raised by her unique and loving mother, she learns many strange and useful skills. When her mother goes missing, Enola decides to find her on her own, using her sharp mind and courage. Along the way, she faces many challenges and meets interesting people, like the young Lord Tewkesbury. Though she faces danger and opposition, Enola stays brave and determined to live life by her own rules. Her story is about finding herself and helping others in a world that often underestimates her.

Sherlock Holmes, the famous detective known for his sharp observational skills, faces new challenges in understanding and supporting his sister Enola. His journey shows a more personal side as he tries to balance his work as a detective with his duties as a brother.

Mycroft Holmes, the eldest sibling, is a practical and strict person, often clashing with Enola's free spirit. He tries to make Enola follow society's rules, showing his struggle between duty and love for his family. His character shows the difference between old traditions and new changes.

Eudoria Holmes, the mother, is a forward-thinking and mysterious woman who teaches Enola to be independent and smart. Her sudden disappearance starts Enola's adventure, and her lessons continue to guide her children.

Lord Tewkesbury is a young noble who joins Enola's adventures. At first, he seems like a helpless runaway, but he slowly shows his own strengths and dreams. His story matches Enola's journey, showing the themes of finding oneself and being brave.

Unstoppable

I'll smile, I know what it takes to fool this town
I'll do it 'til the sun goes down and all through the nighttime
Oh, yeah
Oh, yeah, I'll tell you what you wanna hear
Keep my sunglasses on while I shed a tear
It's never the right time
Yeah, yeah

I put my armor on, show you how strong I am
I put my armor on, I'll show you that I am
I'm unstoppable

I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident
Yeah, I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today
I'm unstoppable today

Break down, only alone I will cry out loud
You'll never see what's hiding out
Hiding out deep down
Yeah, yeah
I know, I've heard that to let your feelings show
It's the only way to make friendships grow
But I'm too afraid now
Yeah, yeah

I put my armor on, show you how strong I am
I put my armor on, I'll show you that I am

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident
Yeah, I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today
I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today

Ain't No Mountain High Enough

Listen baby, ain't no mountain high
Ain't no valley low, ain't no river wide enough, baby
If you need me call me, no matter where you are
No matter how far, don't worry, baby
Just call my name, I'll be there in a hurry
You don't have to worry

'Cause, baby, there ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Remember the day I set you free
I told you you could always count on me, darling
From that day on, I made a vow
I'll be there when you want me
Some way, somehow

'Cause, baby, there ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Oh no, darling
No wind, no rain
Or winter's cold can stop me, baby, na na, baby
'Cause you are my goal
If you're ever in trouble
I'll be there on the double
Just send for me, oh, baby, ha

My love is alive (woo)
Way down in my heart
Although we are miles apart
If you ever need a helping hand
I'll be there on the double
Just as fast as I can
Don't you know that there

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Don'tcha know that there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
Ain't no mountain high enough
Ain't no valley low enough

Songs

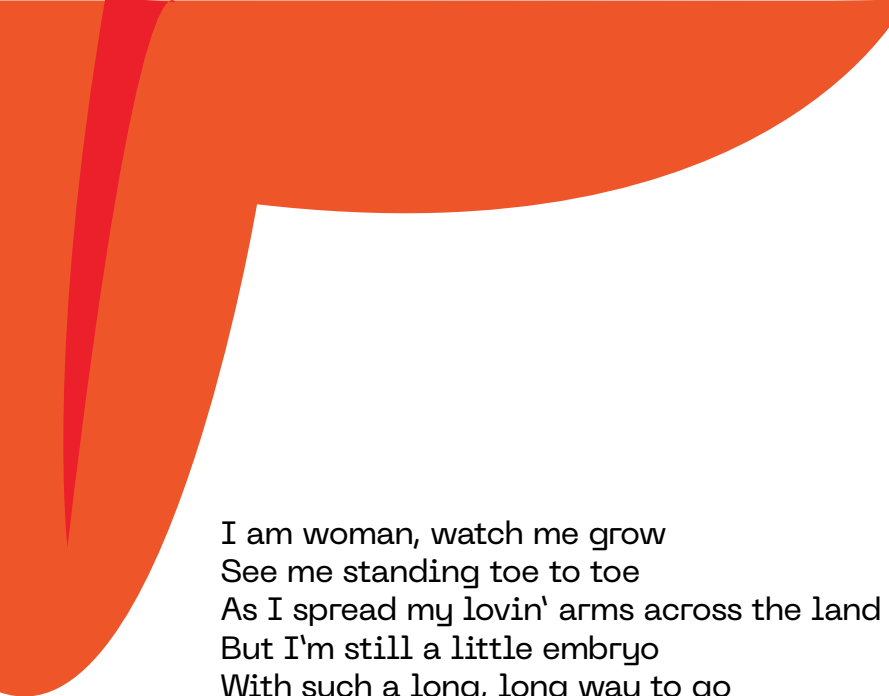

I Am Woman

I am woman, hear me roar
In numbers too big to ignore
And I know too much to go back an' pretend
'Cause I've heard it all before
And I've been down there on the floor
And no one's ever gonna keep me down again

Yes, I am wise
But it's wisdom born of pain
Yes, I've paid the price
But look how much I've gained
If I have to, I can do anything
I am strong (strong)
I am invincible (invincible)
I am woman

You can bend but never break me
'Cause it only serves to make me
More determined to achieve my final goal
And I come back even stronger
Not a novice any longer
'Cause you've deepened the conviction in my soul

Yes, I am wise
But it's wisdom born of pain
Yes, I've paid the price
But look how much I've gained
If I have to, I can do anything
I am strong (strong)
I am invincible (invincible)
I am woman

I am woman, watch me grow
See me standing toe to toe
As I spread my lovin' arms across the land
But I'm still a little embryo
With such a long, long way to go
Until I make my brother understand

Oh yes, I am wise
But it's wisdom born of pain
Yes, I've paid the price
But look how much I've gained
If I have to, I can face anything
I am strong (strong)
I am invincible (invincible)
I am woman

I am woman
I am invincible
I am strong
I am woman
I am invincible
I am strong
I am woman
I am woman
